

American Chemical Society Study Guide Organic Chemistry

The novel opens with Aunt Polly scolding the house in search of her nephew, Tom Sawyer. She finds him in the closet, discovers that his hands are covered with jam, and prepares to give him a whipping. Tom runs out theatrically, "Look behind you!" and when Aunt Polly turns, Tom escapes over the fence. After Tom is gone, Aunt Polly reflects carefully on Tom's mischief and how she lets him get away with too much.

Tom escapes home at supper time. During supper, Aunt Polly tells Tom about his adventures and what happened to his collar as well as how he lost his hat, Tom's half brother, and how he lost his shirt. Tom tries to deny his adventures but Aunt Polly is not convinced.

Tom goes out of the house to play with his friends on the streets of St. Petersburg. He and the other boys play a game of hide-and-seek and eventually find the treasure all the way home.

When he returns home in the evening, Tom finds Aunt Polly waiting for him. She notices his dirty clothes and decides to make him work the next day, a Saturday, as punishment.

On Saturday morning, Aunt Polly sends Tom out to whitewash the fence. Tom goes by, and Tom tries to get him to do some of the whitewashing in return for a "white ally," a kind of marble. Tom almost agrees, but Aunt Polly appears and chases him off, leaving Tom alone with his labor.
